

The Operations Committee (OpsComm)

Report on Committee Activities for 2009

In the performance of its mandate, the Operations Committee conducted a total of twenty-nine (29) meetings for 2009, with almost 90% having been attended by at least four (4) directors, which is more than the prescribed number to constitute a quorum.

In these meetings, the Operations Committee approved/endorsed approval of forty (40) high-valued procurement items, approved fifteen (15) budget items, thirteen (13) matters on Policy formulation, among others.
